Re: *Hawkins v. City of Rochester et al*,
22-cv-6228 (EAW)(MWP)

Dear Judge Payson,

I write to submit the instant joint letter motion for a 120-day extension of all the deadlines in the scheduling order, ECF 5. The new deadlines would be: Status Conference on May 31, 2023; Initial mediation session to be held by March 13, 2023; mediation referral shall terminate on May 17, 2023; motions to join parties/amend pleadings due by April 3, 2023; Motions to Compel due by May 15, 2023; Discovery completed by June 15, 2023; Plaintiff expert witness ID due by July 13, 2023; Defendant Expert Witness ID due by August 15, 2023; Expert discovery, including depositions, completed by September 16, 2023. Dispositive Motions due by October 18, 2023.

Additional time is needed because the parties were delayed in obtaining and exchanging documents that were necessary for the mediation, and the initial mediation session has not yet taken place. However, the parties have selected

William Bauer as the mediator for this case, and are ready to schedule the initial mediation session.

Thank you for your consideration of this request. Should the Court have any questions or concerns, please do not hesitate to have one of your clerks contact me.

Respectfully Submitted,

~//s//~
